Spring 2008

Editors Notes

Another year has come and gone and with it, a multitude of pleasant memories as we reconnect with classmates who have gone where life took them and are now looking back to where they started their journey.

This year is a milestone for the class of 1963 (my class), we will have graduated 45 years ago. I would like to invite the class of 1963 to come to Founder's Day and be a part of the best party yet. If you didn't graduate with the class of '63 don't despair, we would love to have you come party with us.

Everyone grab a calendar and mark out the following dates, Thursday the 19th of June through Sunday the 22nd June. We are planning to give you a weekend you will remember for quite awhile. We are repeating the Thursday night dinner cruise on Lake Coeur d'Alene that everyone liked last year. On Friday, Peggylee will host a wine tour of some of our better known local wineries. For those that would prefer other entertainment, I will set up tee times at Indian Canyon or a run to Northern Quest Casino. If there any special requests let us know. If we can accommodate you, we will.

Scholarships

The Scholarship Committee will meet on May 7 to review all of the applications for this year's scholarships. They have been asked to bring back the 10 applications that best represent our goals for a vote by the whole committee

Fundraising Events

The Committee is planning a yard/garage sale this summer. The location/date has not been finalized. If you have items to donate, contact Peggylee or myself. We all have unused items in our homes.

Reunion Notices

The alumni Association is currently not aware of any formal plans to host a class reunion. If there are any classes planning a reunion, please contact us at: mandbcarl@adelphia.net

Pre-Founder's Day

Last years pre-founder's day functions were a blast!! If you are coming, come early and join us. These activities are informal and a great time to sit and chat with former classmates. Founder's Day activities tend to be a bit hectic and more difficult to quietly sit and talk.

If you are interested in participating in any or all of these activities please contact either Peggylee or me to allow us to gauge interest. If there is little or no interest in an activity we will not schedule it this year.

Founder's Day

We will again be present at Founder's Day. We should be in our usual location next to the Sterling Savings bank. Look for the MLHS Alumni Assoc. banner. Remember the annual dinner and Association Business meeting at the Airway Heights VFW to be followed by music and dancing until ????. See the Founder's Day edition of the newsletter for final details.

One of Our Own

The next in the series of featured Alumni is Frank Mace of the class of 1937. I became aware of Frank's exploits in an article written by Karen Dorn Steele and published by the Spokesman Review on November 11, 2007. To avoid a copyright infringement issue we will not publish the article but will point you to the article and a related video interview on the spokesmanreview.com website. On the opening page of the website, top center, there is a search box. Type in "Frank Mace" and among the results you will see 2 entries, one being the article "*Remembering Nagasaki*" and the other is a video interview with Frank. If you are interested, Frank published a book of his experiences and will gladly sell you one. All the books have been sold but if there are enough orders can have more published. Cost is \$25.00 or \$27.50 mailed
