Like Birds of a Feather....Cardinals....Flock Together

Vol 4 Issue 6

Fall 2009

Editors Notes

This Fall has been an experience! 5 of us (3 alumni and 2 spouses) did a 16 day self-guided tour of Prague, Southern Germany, The Tyrol region of Austria, Switzerland (Lake Constance) and finished in London. We are hoping to put together a slideshow on DVD this winter for anyone interested. If you would like to tell us what you did this summer we would love to include it in the newsletter.

Peggylee, Maureen and I have spent most of October trying to recover from the Flu and it's after-effects which is why we are now finally getting to the newsletter.

Last year the High School began recognizing former students for their contributions to the school by inducting them to the High School's Hall of Fame. We congratulate these people and their achievements. (See info below)

Tim asked that we let everyone know that the VFW in Airway Heights is hosting a Christmas party on December 19th. It is a potluck meal from 6-7PM and our favorite band "Beauty and the Beast" will provide music to dance to. Everyone is invited to come and celebrate the season.

Founder's Day

The dates for Founder's Day 2010 are: June 17th thru the 20th. Please contact your employer now to schedule these dates so

that you will not miss out and have the opportunity to re-connect with classmates and friends who would love to see you.

The committee is starting to plan this event and now is the time for you to submit ideas that you would like to see included in the planning.

One of the activities that we plan to do this year is to honor those that graduated 50 years ago (class of 1960) by placing them on a float in the parade on Saturday. We hope that as many of the class as possible will be there and that we can continue this tradition in the future.
